Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair representation of these financial statements that gives a true & fair view of the entity in accordance with government rules and policies, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing the audit procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, of the entity as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Notes to the Financial Statements
For the year ended June 30, 2018

1.00 Legal Status and Overview of Its Operational Activities:

1.01 Legal Status

The Bangladesh Bridge Authority - BBA (Former Jamuna Multipurpose Bridge authority - JMBA) (herein after called as 'Authority') was established by the Ordinance "Jamuna Multipurpose Bridge Authority Ordinance, 1985 (XXXIV of 1985)" with the object to construct a multipurpose bridge across the river Jamuna on an integrated concept of road-rail- gas-electricity and telecommunication lines.

The Authority is a body corporate having perpetual succession and a common seal with the power to acquire, hold and dispose of property both movable and immovable and shall by the same name sue and be sued.

The JMBA Ordinance, 1985 has been amended in November 1998 by the JMBA (Amended) Act, 1998. This empowered the Authority to form companies with the prior approval of the government for transfer of bridges and toll roads to them, transfer of ownership, etc of bridges and toll roads to the company so formed lease out the bridge or toll roads to any person for the purpose of administration, management, operation and maintenance of such bridge or toll road or to appoint any person as its agent for the administration, management, operation and maintenance of such bridge or toll roads.

The Authority has also been empowered to construct & maintain all bridges in the country having a length of one thousand five hundred meters (1500 m/1.5 Km) or more, toll road, flyover, expressway, causeway, link road, etc.

The authority took up implementation of the Jamuna Multipurpose Bridge Project (JMBP) in October 1994 and completed the construction of the bridge in June 1998.

1.02 Address of BBA

At present the Head Office of the Bangladesh Bridge Authority (BBA) is located at Setu Bhaban, New Airport Road, Banani, Dhaka-1212.

1.03 Summary of the Operational Activities of BBA

The activities of the BBA for which it was established are to:

- a) Undertake feasibility studies for the establishment of bridge or for the construction of toll roads;
- b) Prepare comprehensive plans for the establishment of bridge or for the construction of toll roads for the consideration and approval of the Government;
- c) Take all necessary actions for the implementation of the plans approved by the Government as mentioned in above (b);
- d) Undertake steps to secure required fund both from external and internal sources for the implementation of such plans;
- e) Enter into agreements with various agencies or organization, internal or external, for securing funds for the implementation of such plans; and
- f) Carry on administration, management, operation and maintenance of bridge and toll roads established or constructed by it.

1.04 BBA Projects

A) Bangabandhu Bridge:

The bridge was constructed from October 1994 to June 1998. It was opened for the traffic on 23rd June, 1998.

Bridge and Approach Viaducts

The bridge is 4.8 Km long and 18.5 meter wide. The length of the two approach viaducts is 128 meter each. The builder was Hyundai Engineering and Construction Joint Venture of Korea. The location of the Bridge is 160 km (approx.) north of the capital Dhaka on the river Jamuna having its east end at Tangail District and the west end at Sirajgonj District.

River Training Works (RTW)

The river training works consists of:

East Guide Bund	:	3.26 Km
West Guide Bund	:	3.07 Km
Bhuapur Hard Ponit	:	1.7 Km

The builder of the RTW was HAM-VOAJV of Netherlands.

Approach Roads

Two approach roads are:

East Approach Road	:	14.76 Km and
West Approach Road	:	16.93 Km

The builder of the Approach Roads was Samwhan Corporation of Korea.

Flood Embankments

There are two flood embankments- East and west, constructed under Contract 7 and 8 respectively.

Environment Management Action Plan (EMAP)

An Environment Impact Assessment (EIA) of the project was an integral part of the project feasibility study. On the basis of various studies and other exploratory works, a framework "Environment Management Action Plan (EMAP)" was prepared. To facilitate implementation and monitoring of EMAP, a separate wing called "Environment unit" was established.

Resettlement Action Plan (RAP)

As a result of Land acquisition for construction of various components and facilities (i.e. the Bridge and the Approach Viaducts; the East and West Guide Bunds for river training and protection, the East-West Approach Road, etc.) many persons' were affected (defined as Project Affected Persons-PAPs). In accordance with the World Bank suggestions, a resettlement plan called "Revised Resettlement Action Plan (RRAP)" was prepared to mitigate the adverse impacts of land acquisition and displacements. The primary objectives of the RRAP has been to restore and where possible to improve income and living standards of the affected persons. The implementation of RRAP is progressing satisfactorily.

Sources of Finance of the BBA and the Principal Terms

The project costs were financed by:

- 1) The Government of Bangladesh (GOB);
- 2) International Development Association (IDA)
- 3) The Asian Development Bank (ADB); and
- 4) The Overseas Economic Corporation Fund (OECF).

2.01 Basis of Preparation and Presentation of Financial Statements

The financial statements of the BBA as at and for the year ended June 30, 2017 have been prepared based on historical cost basis on generally accepted accounting principles (GAAP) in Bangladesh and, therefore, no adjustments have been made for inflationary factors affecting the financial statements. The accounting policies, unless otherwise stated, have been consistently applied by the BBA and are consistent with those of the previous year.

2.02 Statement of Compliance

The financial statements have been prepared on a going concern basis following accrual and cash basis of accounting except for cash flow statement in accordance with Bangladesh Accounting Standards (IAS), which are consistent in all material respects with International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS) as adopted in Bangladesh and according to the JMBAA (Amended) Act, 1998 and other laws and rules applicable in Bangladesh.

2.03 Rearrange/Restate

Previous year's figures, wherever considered necessary, have been rearranged/restated/reclassified, for the purpose of comparison with current year's presentation without any impact on the profit and value of assets and liabilities as reported in the financial statements.

- a) IDA grant of TK. 247,666 and UNDP grant of TK. 285,139 were included in Authority's Fund which have been presented in note number 09 under the Equity of this year.
- b) Biological assets were included with Property, Plant & Equipment disregarding the requirement of BAS 41, which is now presented as separate item of Non-current asset in the face of the Statement of Financial Position at cost.

2.04 Comparative Information

As required by paragraphs 38 and 40 of IAS-1 "Presentation of Financial Statements" comparative information in respect of the previous year have been presented in all numerical information in the financial statements and the narrative and descriptive information where it is relevant for understanding of the current year's financial statements.

2.05 Functional and Presentational Currency

The financial statements are presented in Bangladeshi Taka which is the BBA's functional currency. All financial information presented in BD Thousand Taka has been rounded off to the nearest Taka.

2.06 Use of Estimates and Judgment

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual result may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

2.07 Revenue Recognition

As per IAS-18 "Revenue", Revenue is to be recognized when it is probable that the economic benefits associated with the transaction will flow to the BBA and the amount of revenue can be measured reliably. The BBA recognizes revenue when they receive the cash from client except the Bangabandhu bridge toll income.

i) Rail Tariff

As per agreement between Bangladesh Railway and the BBA dated on 17/06/1998, the annual tariff was fixed at Taka 5 million for the time being, payable in two equal six monthly installments commencing from July 01, 1998. Tariff has been received on 19th July 18. As the accounts prepared on cash basis so this income does not consider this financial year.

ii) Electric Tariff

As per decision made in the meeting dated 24/05/1999 between Bangladesh Power Development Board (BPDB) and the BBA, the annual tariff was fixed at Taka 0.5 million for the time being; receivable in two equal six monthly installments.

iii) Gas Tariff

As per agreement between Bangladesh Gas Transmission Company Limited (GTCL) and the BBA, on date 02.01.2005 the tariff was fixed at rate of 30.00 Lakh year up to June, 2005 and from July 2005 at the rate of 2.50% of wheeling charge of Gas transmission . In this Financial year BBA received 62 Lakh in 2 years in different installments.

iv) Tele-Communication Lease (BTCL)

As per agreement signed on 25.05.2008 between Bangladesh Gas Transmission Company Limited (BTCL.) and BBA annual lease was fixed at Taka 3 million. For the 2nd five years ,the annual rent was enhanced at the rate of 10% of the above rent.It may be mentioned that the agreement was signed for a period of 10 years which has already been expired.So,extension of the lease deed agreement is now under process.

v) Other Revenue

All other revenue is recognized when the BBA's right to receive such income has been reasonably determined and all conditions precedent is satisfied

2.08 Property, Plant and Equipment

i) Owned Assets

All Property, Plant and Equipment are stated at cost less accumulated depreciation. The cost of an asset comprises its purchase price and any directly attributable costs (including freight, duties and non refundable taxes) of bringing the assets to its working condition for its intended use as per International Accounting Standard IAS)-16 "Property, Plant and Equipment".

Direct costs of construction of the bridge and approach viaducts; river training works and approach roads have been provisionally capitalized as per the interim payment certificates issued by engineers (construction supervision consultants). Direct costs of construction of flood embankments have been capitalized as per contractor's bills.

Indirect costs of construction have been provisionally capitalized in the ratios of provisional direct costs of construction components. Indirect costs include the following:

- Construction supervision consultancy fees and costs;
- Management consultancy fees and costs [excluding fixed assets acquired and capitalized under fees and cost of panel of experts (POEs)];
- OECF handling charges; and
- BBA establishment costs.

ii) Subsequent Expenditure of Fixed Assets

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it probable that the future economic benefits embodied within the part will flow to the BBA and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognized in the income statement as incurred.

iii) Depreciation and Amortization of Fixed Assets

Land is held on a freehold basis and is not depreciated considering the unlimited life. In respect of all other fixed assets, depreciation is provided to amortize the cost of the assets after commissioning, over their expected useful economic lives. As per policy of the BBA, consistently applied, 50% of the normal depreciation rate has been charged on addition of fixed assets during the year, Depreciation on all other fixed assets is charged using Reducing Balance Method and no depreciation is provided on retirement.

The annual depreciation rates applicable to various categories of fixed assets are under:

<u>Category of Assets</u>	<u>Rate</u>	<u>Category of Assets</u>	<u>Rate</u>
Land	-	Bridge Site Administrative Building	5%
Land Development	-	Bridge Site Residential Building	5%
Plant & Social Afforestation	-	Construction of Thana Bhaban	5%
Main Bridge	2.5%	Bus Stand	5%
