A modal dialog box titled 'Add Payment' is open in the center, containing fields for Sys Id, Pay date, Pay amount for lease money, Pay Order No, Retention Money, Total Pay Amount (set to 0 Taka), VAT (15%), Tax (5%), and a comments section. At the bottom of the dialog are 'Add' and 'Close' buttons. To the right of the dialog, a list of lease payments is displayed with columns for Amount, Status, and Action. The status column includes entries like '3rd year complete', 'hudai', and 'forfeited'. A blue arrow points from the 'Add Lease Payment' button in the top right corner of the dialog to the 'Add' button in the dialog itself. The bottom of the screen shows a navigation bar with links for Previous, Next, and 10 / page.

A single row is visible with ID 16 and Name 'Samsung'. To the right of the table is a button '+ Add Brand'. A purple arrow points from the text '3. Edit brand:' to the '+ Add Brand' button.

3.Edit brand:

The screenshot shows the 'Manage Brands' page with a modal window titled 'Update Brand' overlaid. The modal contains a form with a 'Brand Name*' field containing 'Samsung', and two buttons 'Update' and 'Close'. A purple arrow points from the text '4. Delete brand:' to the 'Update' button in the modal. The background table shows one entry for Samsung.

Edit:

The screenshot shows a web application interface for managing products. At the top, there's a header bar with the text "Bangladesh Bridge Authority - IT". Below it, a sidebar contains icons for file operations like back, forward, and search. The main content area is titled "Product Of TAB". A table lists two products: "Samsung GALAXY TAB A8 (Gray)" with ID 24 and "Samsung GALAXY TAB A8 (Silver)" with ID 25. Both entries are categorized under "TAB". To the right of the table is a "Action" column with edit and delete icons. A modal window titled "Update Product" is open over the table. It contains fields for "Category Type" (set to "TAB") and "Product Name" (set to "Samsung GALAXY TAB A8 (Gray)"). At the bottom of the modal are "Update" and "Close" buttons. A purple arrow points from the top right towards the "Update" button.

Delete:

This screenshot shows the same "Product Of TAB" page after a deletion action. The table now only lists the "Samsung GALAXY TAB A8 (Gray)" entry with ID 24. A modal window titled "Are you sure?" is displayed, containing a large exclamation mark icon and the text "Once deleted, you will not be able to recover this imaginary file!". At the bottom are "Cancel" and "OK" buttons. A purple arrow points from the top right towards the "OK" button.

1. View of approved all requisition :

The screenshot shows a web-based application interface for the Bangladesh Bridge Authority. The top navigation bar includes the logo, the title "Bangladesh Bridge Authority - Store", and user profile information for "MD MASUD RANA". Below the header, there is a search bar labeled "Search Requisitions". On the left side, there is a vertical sidebar with various icons for navigation. The main content area is titled "All Approved Requisition List" and displays a table of 13 rows. The table columns are: S/N, Date, Time, Name, Designation, Department, Requisitions, Approved, and Action. Each row contains a green checkmark icon in the "Approved" column and a green button with a checkmark icon in the "Action" column.

The screenshot shows a web-based application interface for managing product requisitions. At the top, there's a navigation bar with icons for user profile, notifications (7), messages (11), tasks (17), and a search bar. The main title is "Make Request For Product Requisitions". Below the title, there are fields for "Product Name*" (set to "Block Surface - Block Surface"), "Quantity*" (set to "0"), and "Remarks" (with placeholder "Enter Remarks"). A blue button labeled "+ Add" is visible. At the bottom, there's a table header with columns: S/N, Product Name, Quantity, Unit, Remarks, and Actions. A blue button labeled "Send Request" is located at the bottom left.

The screenshot shows the BBA LIBRARY management system interface. On the left, there's a sidebar with icons for Home, Search, and other functions. The main area displays a grid of book records. A specific book record for 'The Village Voice Film Guide' (System Generated Book Number 950) is highlighted. A modal window titled 'Previous Record Status' is overlaid on the grid, showing details for this book. The modal includes fields for Status (Service on going), Remark (ok done), and Process (Resue Book). A purple arrow points from the status field in the modal back to the status field in the main grid row.
